One of the greatest concerns facing newly qualified hypnotherapists is a lack of confidence in their knowledge and delivery of hypnosis

No matter how much practical input a hypnotherapy training course provides, it may be difficult meeting up with other students in order to practice hypnotherapy.

Here at ACMHL we are committed to providing ongoing support to our students. However, this offer is available to ANY hypnotherapist, student or newly qualified, who would benefit from a few hours practice in a relaxed and supportive environment.

We will be running these sessions from two locations: our own consulting room, in order that new students can benefit from practicing in a 'real' setting, complete with recording equipment if needed and The Beauchief Hotel in Sheffield

The sessions from our consulting will be limited to **FOUR** attendees and will operate on a '**first come, first served**' basis. A minimum of THREE and maximum of FOUR attendees will be required to make this a viable course, therefore no refunds are due unless the course is cancelled

Forthcoming dates are: 29th January (one place remaining) 11.00 – 4.00
23rd March 11.00 – 4.00

(Both these sessions will include a light lunch. The cost of each session will be **only** £47 (including VAT).

4th March 9.30 – 6.00

(These sessions will run from the Beauchief Hotel. Minimum of eight delegates required. Refreshments provided, lunch not included. Cost £60 including VAT)

Once the required numbers are allocated, the group will be instrumental in setting the agenda. You will be supervised by Carole Wan, who is an accredited hypnotherapy supervisor with the National Council for Hypnotherapy & National Council of Psychotherapists. Please note that these sessions will count towards your required annual CPD requirement.
